

About Us

AMERICA'S WARRIORS CARE PACKAGE PROJECTS

Our purpose is to let our American military troops on deployment know that they are not forgotten by providing individual packages of nonperishable food and personal care items along with hand written notes and handmade cards from children and other grateful Americans. We are a group of military family members, veterans and friends who get together to send care packages to our deployed military.

We are an official non-profit 501c3, a Fund of the Community Foundation of Carroll County, Tax ID 52-1865244.
