

## Service Learning Hours Opportunity Cards/Letters/Donations for Deployed Service Members

Chesapeake Blue Star Mothers (Maryland's Blue Star Mothers Chapter) is partnering with America's Warriors Care Package Projects to provide cards/letters/donations for our deployed service members.

Students can make a card or letter. One service hour credit per card/letter. Please make legible to read. Plenty of free card making websites to create online. Use your imagination. If you would like to email cards or letters send to: [president.md3@bluestarmothers.us](mailto:president.md3@bluestarmothers.us).

Donations for Care Packages are eligible for 30 minutes of service learning per item. Drop Box available at Visitor Management Office at Westminster High School for donations or physical cards/letters. Please attach a note with student's name with itemized list given.

All students must complete an Online Service Learning Hour Form:
